WEBSITE

This new RushExpress will pleasantly surprise you – during lockdown I have had the task to review all sections, and have been able to adjust 1000's of prices to your advantage after taking into consideration our stock position, demand and popularity!

During this Covid-19 scenario many collectors have returned to the Hobby of Kings and are busy filling their spaces – Auctions have been busy with good realisations.

We have recently acquired the stock of a G.B. dealer who retired over 40 years ago comprising of Machin and Commemorative Errors & Varieties, especially Missing Colours and Phosphor Omitted Varieties – you will find some very generous offers in this listing.

We are also offering a superb selection of Pre-1920's including Inverted Watermarks, Abnormals, etc.

The Mail Order stamp business has been stronger, particularly due to the cancellations of all exhibitions and fairs, and collectors staying at home have time on their hands.

So stay safe and stamp on!

Allan Grant
