## STAMP FORMAT PACKS

### Vertical Format Packs

These packs are specialist products that contain stamp issues in blocks or varying formats. Sold at face value, they were available from the Philatelic Bureau and selected Post Offices. It is thought that in the majority of cases the stamps were removed and the packs discarded. This has led to there being very few complete format packs available, giving them a comparatively high market value. There is no Complete listing available - new editions are still being reported. We can offer the following at the present time - subject unsold. In most cases we only have 1 or 2 of each available.

# QUEEN VICTORIA USED

## SG Numbers as per 'Collect British Stamps' 2023

Demand for Queen Victoria stamps is on the rise. Stocks are becoming even more depleted and difficult to replace. Fine Used quality is the most popular as the number of stamps existing in this condition is probably no more than one in 200! Good Used are real value for money in relation to the percentage of catalogue, whilst spacefillers fill that gap at a small fraction of catalogue!
