STAMP FORMAT PACKS

Vertical Format Packs

These packs are specialist products that contain stamp issues in blocks or varying formats. Sold at face value, they were available from the Philatelic Bureau and selected Post Offices. It is thought that in the majority of cases the stamps were removed and the packs discarded. This has led to there being very few complete format packs available, giving them a comparatively high market value. There is no Complete listing available – new editions are still being reported. We can offer the following at the present time – subject unsold. In most cases we only have 1 or 2 of each available. Enquiries invited for any other items:

2000 Matthews Palette Miniature Sheet	£45.00
2000 Her Majesty's Stamp Miniature Sheet	£45.00
2001 Occasions set of 5 Complete	£99.00 £95.00
2010 George V Accession (set of 4)	£50.00

BRITISH VIRGIN ISLANDS 'UNISSUED' MICHAEL JACKSON SE-TENANT PAIRS 55¢ & \$1.50 DENOMINATIONS BOTH PERFORATED AND IMPERFORATED

ONLY £5.00 EACH

Prepared for use in 1985, the Foreign and Colonial Office refused permission to show a living person simultaneously appearing on a Crown Colony's stamps which should show either the Queen's portrait or the Royal Cypher. A small number were distributed for publicity purposes and escaped destruction - these are collector's items! The same designs were eventually released by St. Vincent who did not require Foreign and Colonial Office permission. We can offer both values as perf or Imperf at a very reasonable price - remember that in 1986 a single pair realised £370.00!

Either value, Perf or Imperf at ONLY.....£5.00

"RED CROSS"

Around 1936 an attractive Set of 5 stamps printed in photogravure
were prepared but not released (without overprint). Later in 1945 after World War
II these stamps were authorised by the Government to be overprinted "V" for
Victory as listed (SG 344/8). Five years later the basic stamps were again
overprinted for the "Red Cross Fund" (SG399a/e) – and then yet again in
1960 the same stamps were used overprinted for the "Silver Jubilee of the
Ethiopian Red Cross Society" (SG 500/4). We have been fortunate in
acquiring a small stock of this fascinating issue which as you might expect
produced some interesting Varieties, from an old time Dealer who purchased
this stock over 20 years ago from a Dealer in Addis Ababa. An opportunity
to acquire "50 year-old" Errors at realistic prices, only 2/3 of each available.
(Sold as is).

FALKLANDS ISLANDS 1982 BIRDS OF THE PASSERINES FAMILY

A small number of im-perforate examples exist as reported in the S.G.Footnote. We have now acquired some of these which we now offer at 'realistic prices'. Falklands being such a popular country has not really produced too many variations other than the famous 6d Battleship error (Cat. £40,000) or the 1971 Provisional Overprint Varieties. An IMPERF Pair always makes an interesting addition to any collection. Bird thematics are also in demand! Some of these imperf Pairs were originally offered by Emerald Collectables Ltd. at over £500!

***Drug Cheat Olympic Medal winner stamp WITHDRAWN overnight!**
The controversial stamp was issued to honor Leonidas Sampanis, the Bronze Medal winner in Men's weightlifting in the 62 kilo weight class. Sampanis won his medal on Monday 16 August and the digitally printed stamps were on sale in a few Post Offices starting later Tuesday August 17.

Only a very small number of stamps were sold before withdrawal - many believe it was around only 30,000 copies.

EACH £25.00 £15.00, SHEET OF 10 £225.00 £150.00 (Nett).

ALL OF THE STOCK WHICH WE OFFER IS FROM THE MUCH SCARCER LITHOGRAPHIC PRINTING. WE UNDERSTAND THAT THERE ARE A QUANTITY OF THE MORE COMMON DIGITALLY PRINTED STAMPS AVAILABLE AT SOMEWHAT LOWER PRICES.

THE MISSING TENNIS BALL VARIETIES

Now you see it! Now you don't! A very clever and contrived fabrication by the Countries Agent to produce an 'Enforced Error'. All stocks of these stamps were seized. However, not surprisingly some escaped. They were actually found in the Printer's Archive Stock where a stock of each item printed is kept for future reference.

This 'Error' as far as we know, was never actually marketed. A popular theme and interesting history. Whilst they last, (SG 1059/60). Each

Or both values at the special price of

We have just come across a number of Uncut Archive Sheets which are Imperf, Finished Colours, in the Blue/Black stage of printing or in the Blue/Black/Red stages of printing. Rather than offering the Complete Archive Sheet which is quite large and would cause problems to post flat (the only way would be to roll it up in a tube and then you run the risk of getting it crushed), we have decided to offer the individual items in the sheet as follows:

UGANDA OVERPRINT SUEPRISE!

With the Definitive and Commemorative stamps from Uganda overprinted 'UGANDA LIBERATED 1979', the residue stock of Postage Dues from Kampala was also overprinted. This stock was found to contain remnants of the 1967/1970 and 1973 stamps. Only about 50 sets of the first 1967 printing are known overprinted and the approximated quantities of the other values are included alongside. Complete sets, ie one of every value, are extremely scarce and we are recommending clients to buy odd values which in themselves are very exciting and promise to be a valuable acquisition. Some stamps were found with hyphens either side of the date 1979. However, the majority seem to be without hyphens.

U.S.A. ARMY FREE FRANK – On the advent of the Spanish-American War (1898) a Major Brewster Cox Kenyon (born in New York in 1864) had stamps printed (surface printed after the designs of the 1869 issue, perf. 11) and used them on mail despatched from his units. Army Units on Active Service had a free mail concession. These stamps were entirely unofficial and in September 1898, the U.S. Post Office issued an order for their discontinuance. The fact that they had been used and served a useful purpose, made them collectable. They are available (all un gummed) in either Pink or Blue, each.....£5.00

Non-Denominated Test Stamps (perforated and rouletted) printed black ink on white pummed paper, by Stamp Venturer for a test of the roulette separations. This is the first contemporary test stamp made available by a private contractor, during the World Columbian Stamp Exposition on a first come basis. These were used by Stamp Venturers to show their quality printing, coil packaging, and separation capabilities. We were fortunate to obtain a limited supply and they are offered as follows:

HAVE YOU TRIED A 'RUSH' MIXED LOT?

Our Mixed Lots are very special – we sell almost 1,000 a year with many collectors placing repeat orders on a regular basis. Last year only eight Lots were returned to us under our "No Quibble" policy that if you are not happy for any reason return it to us within seven days for a full refund or credit.

Each lot will contain loose stamps, envelopes/packets of stamps as received, album pages, stock leaves, etc. We try to avoid much duplication and the modern CTO material. Hours of fun with a chance of a good find (many high catalogue and unusual stamps were reported last year).

We cannot tailor make specific countries as this would be too time consuming. However, we can prepare, as follows, in lots of £25, £50, £100 and £250 or larger. Wholesale lots also available.

GREAT BRITAIN ONLY

FOREIGN COUNTRIES ONLY

BRITISH COMMONWEALTH ONLY (NO GB)

SUPER WORLDWIDE SELECTION (NO GB)

Delivery is normally between seven and 14 days depending on volume of orders, or if the governor is away! If there is a longer delay than usual we will acknowledge receipt of your order.

PRINTER'S PRESENTATION CARDS

ALL AT HALF PRICE - YES LESS 50%

At the final stage of production, a proof, usually a die proof, is cut down to stamp size and affixed to a card bearing the name of the printer. This is submitted to the appropriate authorities who either approve it or make corrections. In either case the card is returned to the printer for their files. Duplicate cards are sometimes made for presentation or archival purposes. Any corrections at this step will result in very rare unadopted designs. CROMALIN PROOF a Final Master Proof on glossy plastic (For sharper image than paper). (ALL IMPERF UNLESS STATED OTHERWISE).

BOOKLETS OF THE WORLD

An area gaining in popularity now that the British Commonwealth Editions are included in the SG Part 1 and Sectional Catalogues. This will ensure an added demand and we have now revised our listing and reviewed all of our prices. Many of these only exist in thousands rather than ten thousands and include unusual combinations of Se-Tenants, Changed Perfs, Self-Adhesives, etc. Many of the Prestige size Booklets contain additional panes with historical information with full colour photographs. Do not wait for prices to increase – just compare and save!

GB LOCALS AND FOREIGN THEMATIC - 22ct GOLD ISSUES

Over the past 20 years we have accumulated a large number of stamps which were mainly printed in limited quantities up to 30 years ago. As with all precious metals, they are prone to tarnishing slightly and some have slight blemishes, nevertheless highly collectable and sought after. Offered at just face value with a few exceptions.

Catalogue Numbers used 'Jost & Phillips'.
Most are advertised at face value only.

CANADIAN OLYMPIC COMMEMORATIVE SPECIAL GOLD SERIES

CANADIAN OLYMPIC COMMEMORATIVE SPECIAL GOLD SERIES

In a shoebox we found four different Canadian Gold stamps - we know nothing about them other than they have a face value of \$20 Canadian each. They commemorate the 1976 Montreal Olympics (Hurdles, Boxing, Swimming and Running) and are 23K Gold. Each £10.00, or all for £35.00

WORLDWIDE AEROGRAMMES/AIR LETTERS

It is not often that these are offered and we found a small stock of these amongst a recent acquisition covering the period from mainly mid-1970's to 1985. This is an ever increasing area of popularity and stocks are not generally available on the market even though they make a fascinating addition to any collection, either for the countries you collect or for particular Thematics. Once sold cannot possibly be repeated at these prices as we have seen many of them offered at between £2 and £5 each. Orders over £25 deduct 15%, over £50 deduct 20%, over £100 deduct 25%.
