"RED CROSS"

Around 1936 an attractive Set of 5 stamps printed in photogravure were prepared but not released (without overprint). Later in 1945 after World War II these stamps were authorised by the Government to be overprinted "V" for Victory as listed (SG 344/8). Five years later the basic stamps were again overprinted for the "Red Cross Fund" (SG399a/e) – and then yet again in 1960 the same stamps were used overprinted for the "Silver Jubilee of the Ethiopian Red Cross Society" (SG 500/4). We have been fortunate in acquiring a small stock of this fascinating issue which as you might expect produced some interesting Varieties, from an old time Dealer who purchased this stock over 20 years ago from a Dealer in Addis Ababa. An opportunity to acquire "50 year-old" Errors at realistic prices, only 2/3 of each available. (Sold as is).
