U.S.A. ARMY FREE FRANK – On the advent of the Spanish-American War (1898) a Major Brewster Cox Kenyon (born in New York in 1864) had stamps printed (surface printed after the designs of the 1869 issue, perf. 11) and used them on mail despatched from his units. Army Units on Active Service had a free mail concession. These stamps were entirely unofficial and in September 1898, the U.S. Post Office issued an order for their discontinuance. The fact that they had been used and served a useful purpose, made them collectable. They are available (all un gummed) in either Pink or Blue, each.....£5.00

FROM CHICAGO'S WORLD COLUMBIAN EXPOSITION

Non-Denominated Test Stamps (perforated and rouletted) printed black ink on white pummed paper, by Stamp Venturer for a test of the roulette separations. This is the first contemporary test stamp made available by a private contractor, during the World Columbian Stamp Exposition on a first come basis. These were used by Stamp Venturers to show their quality printing, coil packaging, and separation capabilities. We were fortunate to obtain a limited supply and they are offered as follows:

HAVE YOU TRIED A 'RUSH' MIXED LOT?

Our Mixed Lots are very special – we sell almost 1,000 a year with many collectors placing repeat orders on a regular basis. Last year only eight Lots were returned to us under our "No Quibble" policy that if you are not happy for any reason return it to us within seven days for a full refund or credit.

Each lot will contain loose stamps, envelopes/packets of stamps as received, album pages, stock leaves, etc. We try to avoid much duplication and the modern CTO material. Hours of fun with a chance of a good find (many high catalogue and unusual stamps were reported last year).

We cannot tailor make specific countries as this would be too time consuming. However, we can prepare, as follows, in lots of £25, £50, £100 and £250 or larger. Wholesale lots also available.
