## SOMETHING FOR EVERYONE!

We present a real potpourri of G.B., British Commonwealth and Foreign offers for your perusal. Our next G.B. RushExpress (No. 77) is scheduled for the end of January 2022, however we have selected a selection of the more popular pages for this edition! There are so many price adjustments to allow for the demand, our stock position and the changes in Postal Rates (on the Decimals) since the last edition.

Covid has strengthened the market with many collectors resurrecting their hobby and the general collector spending more time and money on their stamps – filling those gaps and also upgrading the quality (especially on Fine Used Queen Victoria stamps).

**GOOD NEWS OUR POPULAR 5% VALUE ADDED BONUS SCHEME WILL NOW INCLUDE "ALL ITEMS" FROM THIS LIST UNTIL THE END OF THE JANUARY 2022!**

Sorry about the previous delays – such a volume of orders having been received, many of which are larger than normal – Auction Prices are very high to reflect the Current Market Position! British Commonwealth and Foreign countries now in stronger demand, especially lots and collections. Sales of our famous Mixed Lot orders have doubled during the past 12 months. We have plenty more so you can order with confidence.
