# QUEEN VICTORIA USED

## SG Numbers as per 'Collect British Stamps' 2021

Demand for Queen Victoria stamps is on the rise. Stocks are becoming even more depleted and difficult to replace. Fine Used quality is the most popular as the number of stamps existing in this condition is probably no more than one in 200! Good Used are real value for money in relation to the percentage of catalogue, whilst spacefillers fill that gap at a small fraction of catalogue!

## STAMP FORMAT PACKS

### Vertical Format Packs

These packs are specialist products that contain stamp issues in blocks or varying formats. Sold at face value, they were available from the Philatelic Bureau and selected Post Offices. It is thought that in the majority of cases the stamps were removed and the packs discarded. This has led to there being very few complete format packs available, giving them a comparatively high market value. There is no Complete listing available - new editions are still being reported. We can offer the following at the present time - subject unsold. In most cases we only have 1 or 2 of each available. Enquiries invited for any other items:

## SOMALILAND MACHIN PROVISIONAL OVERPRINT

In 1992, Somaliland decided to leave the union and fully re-establish its independence in 1995. During 1996, the Government decided to re-establish a postal system. Due to a paper shortage of the type required, it was decided that an emergency issue should be made until arrival of the definitives from the US. After extensive searching, no printer in Africa could be found to undertake the work at such short notice. As the urgency of some stamps became acute, it was decided to release a 500 Shillin value. This was overprinted on a 1p GB Machin.

## THE 'FAMOUS' EDWARD VII 1d TRIALS PRINTED IN GERMANY IN 1913

### SALE TIME!

A great opportunity to add something rather special to your collection at an affordable price!

#### THEIR HISTORY IS AS FOLLOWS:

They were produced almost 100 years ago in 1913! and then re-discovered 7 years ago in an auction in Germany. These British King Edward VII trial 1d stamps were printed in deep blue, imperforated and on gummed paper in small sheets of 25 with wide margins.

Bruckman of Munich, the German printers wanted to tender for the contracts to produce British stamps on their new Heidelberg machines.

They used Edward VII stamps during the reign of King George V to protect the Post Office revenue so they would not be used for postage – and additionally these 'sample stamps' were produced slightly oversize also to detract from possible usage.

Following on from our original acquisition and announcement, we have now secured a second and final printing of these Edward VII 1d Trials **PRINTED ON UNWATERMARKED PAPER INSTEAD OF THE BAVARIAN 19th CENTURY 'ZIG ZAG' WATERMARK.**

Apparently before the printers were to send samples and submit the tender to the British Post Office, the quality controller preferred to print some on the unwatermarked paper which would give a clearer print impression.

This made a lot of sense at the time, however with the outbreak of World War One, no tenders were made and the stamps were archived. The cheapest Edward VII trial stamps listed by Stanley Gibbons start at £1500 each! And generally realise full catalogue or over.

Fully authenticated with a DAVID BRANDON certificate. We can offer as follows: all superb unmounted mint,

## WHERE HAVE THEY BEEN?

The 1957 Scout Jamboree set of three were prepared with Perforated initials (Perfins) 'B.P.' and Scroll insignia by Slopers. Each comb to make the Perfin is different in style and size - an expensive operation to set up! We believe only 1200 sets were produced (10 sheets of 120).

Previously thought to have been bogus, it has now been confirmed that these are genuine perfins by Slopers and were intended for employees and special customers. Set of 3 perfins .....**£45.00 £29.50**
